### Kitchen Faucets:

- Great solid rigid magnetic docking of the spray head on the pull out faucets.
- Long Lasting mounting system for counter top and sink mounts (Lots of brands work their way loose with regular usage)
- Handle Mounting screws that go all the way through the cartridge so the handle will not get wobbly (Lots of brands have just a set screw attaching the handle).
- Matching Prep size Faucets to compliment the main Kitchen Faucet with same features as the larger Kitchen version.
- Offered in many finishes and well stocked by Williams.

### Bathroom/Lavatory Faucets:

- Affordable "My First Hansgrohe" product offering in different finishes.
- Single Handle lavatory faucets that can be mounted as 1-Hole or 4" center without purchasing additional items.
- Two Handle lav faucets that can be converted to mount as 8" center or 4" center without purchasing additional items.
- Handle Mounting Screws that go all the way through the cartridge so the handle will not get wobbly (same as kitchen).
- Offered in many finishes and well stocked by Williams.

### Bathroom/Shower and Tub Shower Faucets:

- **Sell the I-Box, it fits all applications!!!!!!!!!!!!**
- Think about focusing normally on Thermostatic Trims with Diverter and sell a personal shower to go along with every layout.

**AXOR** - A great Custom Home / Designer Type product.
